Consent to Search

Due to the circumstances and events that have taken place, I am going to ask you for your voluntary consent to allow a search of your vehicle.

I want to ask for your voluntary consent to allow a search of your vehicle. That search will include any and all parts of the vehicle, any and all contents, closed or locked containers or packages, and hidden compartments in the car. You must understand that you have a right under the Fourth Amendment of the US Constitution to refuse that search if you wish. You are not being forced, coerced, or intimidated in any way to give up that right. Your consent, if given, is strictly voluntary.

Do you understand what the search will induce, your right to refuse, and that your consent is voluntary? _____

With all of that in mind, will you cooperate and give voluntary consent to allow a search of your vehicle?
